

EVERGREEN CHRISTIAN SCHOOL

Dear Parents,

As registration for 2012-2013 school year is upon us, inevitably there will be requests for student placement. We can understand and appreciate the many concerns and interests you may have in your child(ren)'s education. We will do our best to accommodate your requests, however, please understand that it is impossible for us to honor all such requests. Therefore, we reserve the privilege of the final placement of students in their classrooms. The following criteria will be followed in regard to classroom placement. (i.e. teacher preference).

- Girl/boy ratio
- Student personality matched with teacher strengths
- Blended academic abilities (high, low, medium, etc.)
- Student needs
- Behavioral issues
- Parental preference

If you have any concerns or requests, please submit the bottom portion of this letter to the ECS office no later than May 30, 2012. No teacher requests will be considered after that date. Classroom assignments will be made sometime the first of August.

Once again, we will do our best to consider and accommodate your requests with the understanding that it is impossible to honor all requests. We reserve the privilege of making the final decision of student placement.

Evergreen Christian School has been blessed with wonderful teachers that meet the academic, emotional, and spiritual growth of your child(ren). Thank you for entrusting your child(ren) into our care.

Sincerely,
Cyndi Pollard
Principal
