Arctic Study!

You can be very proud of your children! They are doing a fantastic job collecting information about many Arctic animals. They are learning how to use the internet, as well as sort through papers of information gleaned specific facts for their reports. It is exciting to all of us to be learning and teaching together. I hope they are sharing their new knowledge with you.

I also hope you are beginning to think and plan with your child about the culminating project for their Arctic study. The projects are due on February 21. Thanks for helping your child with this fun and educational project.

Breaking News!

We are excited to announce our 100th Day project this year. Both second grade classes will be collecting 50 items each for the Care Net Pregnancy Center. The following is a list of needed items: Wipes, bibs, booties, sleepers, baby personal care items, receiving blankets, waterproof pads, hats, socks, diapers, and clothing for newborns through 12 months. We are looking forward to blessing others as we celebrate 100th Day! Please have all items turned in by February 24th.
