## Note to parents:

1. Please find attached a copy of September and October broken down in calendar form, all practices and games scheduled at this time.
2. Anyone interested in driving for our away matches, please let me know if you are available, if so, please be sure to fill out the volunteer driving information at the school office.
3. Everyone (drivers and players) need to be **READY TO LEAVE** the parking lot for our away games at least 5 minutes prior to departure. We have scheduled times pretty tight to allow kids maximum time in their final class period of the day.

If you have any questions at all regarding this information, please feel free to ask. The girls have been practicing well and we're looking forward to a great season.

Coaches Renee Berry and Lee Pilon
